## WHY

### is preschool good for your child?

- ✓ A good start in primary school
- ✓ Playing and having fun with other young children
- ✓ Practising the Dutch language
- ✓ Crafting, learning to share, singing songs and eating together
- ✓ And much more!

## HOW TO REGISTER

You can register your child yourself. The preschooler consultants and the preschools will help you with this.

### Playing and learning

Preschool is a place especially for children aged 2.5–4. This is where they can learn new things, craft and play outside. Extra attention is paid to mastering the Dutch language and playing together. This will make it easier for them when they go to primary school.

### Different names

Preschool is known by different names, such as peuterleerplek, peuteropvang, kinderopvang met voorschoolse educatie or peuterschool. All these names mean the same thing.

### What are the costs?

As from 1 January 2024, preschool will be free for many preschoolers in The Hague. They can attend preschool for free for 16 hours per week.

### Who is it for?

You and your child will be invited several times to come to the Youth and Family Centre (Centrum Jeugd & Gezin, CJG). Here, the paediatrician or paediatric nurse will decide whether your child is ready for preschool. You can then register your child with the preschool of your choice.

### Please drop by!

There is always a preschool near you. You can find preschools in various locations, such as nursery schools, primary schools and childcare centres. On the website [vraagjufmina.nl](http://vraagjufmina.nl), you can find a map with all the locations. Would you like to come and take a look around? You will be very welcome!
